Jamal Faridi

Front-end Web Developer proficient in HTML, CSS, JavaScript, and contemporary UI/UX principles. I design responsive, high-quality websites that are optimized for performance and ensure cross-browser compatibility. With a passion for providing intuitive user experiences, I thrive on collaborating with teams to turn ideas into reality. I am also enthusiastic about keeping up with the latest industry trends.

Work Experience

Business Sales Executive - Technifity
Aug 2023 - Present

In my role as a Business Sales Executive in the stock market, I enhance sales by delivering customized investment strategies and valuable market insights. I engage with clients, provide expert guidance, and foster strong relationships to ensure their satisfaction while achieving sales goals. Working closely with the sales team, I fine-tune strategies, maintain updated databases, and follow up on leads to maximize performance.

- **Assistant Leam Leader**
Sep 2024 - Present

  Acting Assistant Team Leader at Technifity, dedicated to enhancing team success by promoting effective collaboration, strategic planning, and cultivating a positive workplace atmosphere. Driven by a passion for boosting performance and achieving results that align with the organization's objectives.

Tele Recovery Officer - Superbro Technology
July 2022 - May 2023

As a Tele Recovery Officer, my focus was on recovering overdue loans. I employed effective communication and negotiation tactics to engage with clients and resolve outstanding debts. Analyzing financial situations, implementing recovery strategies, and maintaining detailed records were integral to my role. My dedication ensured successful outcomes while prioritizing positive customer experiences.

- **Leam Leader**
Mar 2023 - May 2023

  As the Team Leader at Superbro, I am dedicated to enhancing team success through effective collaboration, strategic planning, and nurturing a positive workplace atmosphere. I am passionate about boosting performance and achieving results that align with the organization's goals.

Business Sales Executive - Bells Communication
Dec 2021 - May 2022

As a Business Sales Executive in the stock market, I boost sales by delivering customized investment strategies and valuable market insights. I engage with clients, provide expert guidance, and foster strong relationships to guarantee satisfaction and achieve sales goals. Working closely with the sales team, I enhance strategies, maintain databases, and follow up on leads to ensure peak performance.
